

Unmasking Wolves In Sheep's Clothing (Part Two)

The Bill Gates Matter to Serve Man

David F. Maas

Given 11-Jul-20; Sermon #1553c

In the Olivet prophecy in Matthew 24:4, our Lord and Savior warned His disciples then and now that deception would be the biggest danger or threat to God's people at the end of the age. He had earlier warned of false prophets who come to us dressed as sheep, but inside they are devouring wolves (Matthew 7:15). The apostle Paul reminds us that because Satan (the father of lies and deception) disguises himself as an angel of light, we should not find it surprising if his servants also disguise themselves as servants of righteousness (II Corinthians 11:13-15).

Last week, David Grabbe cautioned us that if we feel we must disguise our behavior, or surreptitiously use an entrance other than the front door, or feel compelled to "leverage" others to accomplish our objectives, we are not doing God's will ["Joshua and the Gibeonites"]. Putting up false appearances has never been a strategy used by God nor the people of God.

I am reminded of a *Twilight Zone* episode (season 3, #24) titled "To Serve Man," in which uninvited aliens from another planet called Kanamits successfully convince the citizenry of earth that their intentions are totally benevolent and magnanimous (just like the current promises and assurances from Marxist, 'progressive' politicians). Eventually, the Kanamit aliens invite selected earthlings to their planet to enjoy an Edenic paradise. The episode turns horrific when one of the government cryptologists deciphers the last part of the alien document having the title *To Serve Man*, crying out in despair, "Mr. Chambers, don't get on that ship! The rest of the book *To Serve Man*—it's . . . it's a cookbook!"

Similarly, we dare not accept at face value the stated benevolent intentions of several billionaire, self-ascribed philanthropists (Greek for "love of mankind"—or, "To serve man") with massive Messiah complexes, such as George Soros or Bill Gates.

As I mentioned in my commentary on May 16, not only America's self-proclaimed savior of public health, Dr. Anthony Fauci, but also the National Institutes of Health, the World Health Organization and yes, the Bill and Melinda Gates Foundation, have long championed dangerous "gain of function" research, involving taking wild viruses and passing them through live animals until they could mutate into a form that could pose a pandemic threat. Dr. Fauci argued that the research was worth the risk because it enabled scientists to make preparations, such as investigating possible anti-viral medications and vaccines (developed at warp-speed, generously and lovingly financed by the Bill and Melinda Gates Foundation), vaccines that could be useful if and when a pandemic occurred.

You will remember that when the Obama administration, under pressure from alarmed scientists, put a halt to these experiments in 2014, Dr. Fauci arranged for a \$3.7 million dollar grant to continue the "gain of function" research of a deadly virus (that had originally been developed at the University of North Carolina-Greenville) to continue at the Wuhan BSL-4 laboratory where the dreadful accident occurred. In November of 2018, the Bill and Melinda Gates Foundation gave another \$499,944 grant to Wuhan University, under the harmless, innocent appearing topic: "Global Health and Public Awareness and Analysis."

On April 15, 2020, Bill Gates, interviewed by David Muir on ABC News, criticized President Trump for unilaterally pulling the plug on the World Health Organization.

In his April 12, 2020 article, “Bill Gates has Been controlling WHO,” Martin Armstrong warns,

Bill Gates is a very serious threat to not just the world economy but to world peace. He has been using a loophole that allows health organizations to appear to be government agencies but are not independent and have been actually controlled by Gates. You will see that 80% of the funding of WHO is not from governments, but from donations. Then you see that Gates is the largest donor after countries listed on their website. Behind the curtain, the WHO has been bullied and pushed around by Bill Gates.

In his April 13, 2020 article, "The Dark Truth About Fauci and Birx, Bill Gates and Globalist Elites," Patrick Howley reveals that

President Trump is locked in an intense power struggle against Bill Gates, who is pushing his vaccines, which may not be available to the public until after November election. Gates has a lot of pull in the medical world, having a multi-billion dollar relationship with Dr. Fauci, who has promoted the Gates line of supporting vaccines and casting doubt on hydroxy-chloroquine. Coronavirus response team member Dr. Deborah Birx, appointed by former President Obama to serve as United States Global AIDS Coordinator, also sits on the board of a group that has received billions from the Gates' foundation, and Birx reportedly used a disputed Bill Gates-funded model for the White House's Coronavirus effort.

In his book, "Bill Gates, Eugenics, and Planned Parenthood," Dean Arnold warns us that Bill Gates fascination or obsession with vaccines may have a deceptive, sinister underside. For example, in his 2010 TED Talk, Bill Gates proclaimed, “The world today has 6.8 billion people. That's heading up to about nine billion. Now, if we do a really great job on new vaccines, health care and reproductive health services, we could lower that by perhaps 10 or 15 percent.”

In an earlier 2003 interview with Bill Moyers, Bill Gates said that “the one issue that really grabbed me as urgent were issues related to population.” Then he clarified himself: “I mean, 'reproductive health.’” In that same interview, Bill Gates bragged to Bill Moyers that his father was once in charge of Planned Parenthood, and that one of his father's most highly revered mentors was Margaret Sanger. Many know of the racist legacy of Margaret Sanger, the founder of Planned Parenthood (the organization for which which Nancy Pelosi tried to secure emergency Covid-19 funds on May 13 of this year).

Margaret Sanger once gave a talk to the KKK and helped promote the “Negro Project.” In her own words,

[Birth control] means the release and cultivation of the better racial elements in our society, and the gradual suppression, elimination and extirpation of defective stocks—those human weeds which threaten the blooming of the finest flowers of America civilization. (*The New York Times*, April 8, 1923)

To this day, 79% of Planned Parenthood's surgical abortion facilities are located within walking distance of African American or Hispanic neighborhoods. I do not know why Senator Clyburn cannot understand this.

As a member of the national board of directors of Planned Parenthood, there was no person on earth with more power over the control, population control efforts, abortion operations, or Planned Parenthood assets (\$2.2 billion today) than Bill Gates' father.

The Bill and Melinda Gates foundation have generously followed in Bill Gates Senior's footsteps, generously funding not only Planned Parenthood facilities in America but around the world, promoting abortions and vaccines to sterilize third world populations.

Obianuju Ekeocha, author of *Target Africa*, declares that Melinda Gates (a staunch advocate of abortion) has promised to implant the seeds of her 'legacy' in 69 of the poorest countries in the world, most of which are in sub-Saharan Africa. Her intent is to collect pledges for almost \$5 billion in order to ensure that the African woman is less fertile, less encumbered and yes, she says, more liberated. The Gates Foundation's new advertising ploy for population control and sterilization is now marketed as "Gender Equality" or women's rights.

Over the past two decades, the vaccines funded by the Gates foundation have sterilized, crippled, and killed multiple thousands of lives throughout the third world, leading Nelson Mandela's former senior economist to proclaim, "We are guinea pigs for drug makers," describing Gates' philanthropic practices as "ruthless" and 'immoral.' The Bill and Melinda Gates Foundation, with its effort to "serve man" during the Covid-19 pandemic, is now readying Jacob's offspring to become guinea pigs for a massive globalist, WHO-sponsored drug experiment. May God Almighty save our people from this Satanic deception.
